have broad straps or bands  
when worn.

Drill <sup>quadrant</sup> <sup>primary</sup> <sup>base</sup>

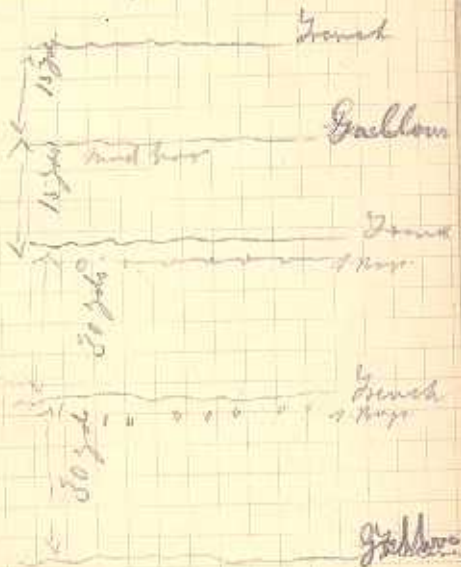

Sentry go drill.

As soon as sentry goes salute  
March you but  
Present Arms

### Bayonet Fighting

Chief fault of American  
as taught by Control, they  
being so keen.

Control Courses recommended  
taught as follows.

Control Column

Starting Point

45 yds

sup. P. edge

Change

Ballows

but fog Nergs  
from ground

Whistle as used in  
Elementary Training  
instead of Executive  
word of Command.

When taking the first  
detail over, Control  
column, remainder of  
class follow up behind  
over the course (without  
rifles)

When men are in trench  
waiting to charge, on the  
signal to advance rifles  
all thrown out in front  
of trench, men spring  
out of trench, seize rifles  
& come to thigh port.

Pang sticks or sometimes  
used, saw being stuck  
through dummy.

New Pang with Point  
Special Assault Course, should  
have shell holes, broken  
ground such as fallen down  
trenches etc
